BEM PAE Preparation Programme

Advanced · 2-day workshop + 3 weeks virtual mentoring · Face-to-face · Bandar Baru Bangi + virtual mentoring

Level	Advanced
Duration	2-day workshop + 3 weeks virtual mentoring
Delivery	Face-to-face · Bandar Baru Bangi + virtual mentoring
Funding	HRD Corp claimable subject to employer eligibility and approval. Corporate and self-pay participation are available.

Programme Overview

This Professional Assessment Examination preparation programme supports engineers preparing for the Board of Engineers Malaysia PAE route toward Professional Engineer status. The programme combines an intensive face-to-face workshop with guided virtual mentoring to help candidates understand the assessment process, strengthen their technical report preparation and build confidence for professional evaluation. Participants review expectations around engineering experience, ethics, responsibility, report structure, interview readiness and common candidate gaps. The workshop is facilitated by experienced Professional Engineers and supported by follow-up mentoring so learners can refine their submissions after the classroom session. It is designed for engineers who already have relevant experience and now need a disciplined preparation pathway before assessment.

Learning Outcomes

- Explain the BEM PAE process and candidate expectations
- Structure professional experience and technical evidence clearly
- Improve technical report preparation and supporting documentation
- Review engineering ethics, responsibility and professional conduct
- Prepare for interview-style professional assessment questions
- Develop a personal preparation plan with mentor feedback

Programme Structure

Day 1 — Workshop

- PAE format, BEM timeline and outcome-based competency framework
- Experience Mapping workshop and first-draft report structure
- Code of Ethics (REA 1967), OSHA and ethics essay drills

Day 2 — Workshop

- Engineering management, economics, contract, procurement and risk
- Guided report production and presentation structure
- First mock interview round and individual action plan

Week 2 — Virtual mentoring

- Line-by-line P.Eng review of your Experience Report
- BEM competency alignment check and guided revision

Week 3 — Virtual mentoring

- Full mock interview “Hot Seat” simulation
- Ethics and management questioning drills, individual debrief

Week 4 — Virtual mentoring

- Final document audit and evidence checklist verification
- Step-by-step guided MyBEM portal submission

Who Should Attend

Graduate engineers, practising engineers and candidates preparing for BEM Professional Assessment Examination submission.

Prerequisites

Relevant engineering qualification and professional experience. Candidates should review current BEM requirements before enrolment.

Assessment & Certification

Mock review, mentor feedback and readiness checklist. Certificate of attendance issued by TVET Digital Academy.

Fees & HRD Corp Funding

HRD Corp claimable subject to employer eligibility and approval. Corporate and self-pay participation are available.

To request a formal quotation, HRD Corp documentation pack, or to enrol, contact the Programme Secretariat on WhatsApp 013-394 2462 or email tvetdigital@gmail.com.

This is an independent preparation programme delivered by Adroit Solution Sdn Bhd (1186050-A), operating as TVET Digital Academy. It is not affiliated with, endorsed by, or accredited by the Board of Engineers Malaysia (BEM). Participation does not guarantee approval, registration or professional status; assessment outcomes and P.Eng registration remain solely subject to BEM's requirements.
